## WHERE DOES YOUR ENTRANCE FEE GO?

The YMCA is a non-profit organization. The Haunted Half is a fundraising event, so you ask; where does the money go? This race solely benefits the YMCA's annual fundraising campaign; We Build People. Your entrance in the Haunted Half is not only providing a wonderful experience for you during the race, but also ensures the YMCA experience of building strong kids, strong families and strong communities remains available to all. The We Build People mission is to not turn anyone away due to an inability to pay. Our campaign also helps to fund programs such as Learn To Swim; offering Putnam County 2<sup>nd</sup> graders free swim lessons, Y-CAP, Urban Services Youth Development Center, Restore Ministries, Fun Company, DiabetesSmart, ABC (After Breast Cancer), Christian Emphasis and the USSAA program; all of which you can learn more about on the YMCA homepage, <http://www.ymcamidtn.org/>. With your help, thousands of kids and families have the opportunity to participate in nurturing programs that help them grow in spirit, mind and body.
